

1873 - 2022

The building in which you sit was designed by prominent architects Crouch & Wilson and constructed by Linacre & Farnsworth for the colonial magistrate William Welshman in 1873.

Over the decades the building has housed numerous businesses, from print shops, to leather factories, even wine & spirit merchants, DJ Touomy Ltd. In the early 2000s it became St. Arnou Beer Café, then shortly after it was renamed to what you now know as Saint & Rogue.
